

LeClairRyan Launches Multi-Disciplinary Economic Development Team

Legal Strategies. Business Solutions.

LeClairRyan is pleased to announce its new Economic Development Team, focused on providing effective and efficient legal assistance to companies and entrepreneurs seeking to establish or expand their presence in the United States.

With over 25 offices in 15 states and the District of Columbia, LeClairRyan is uniquely positioned to assist foreign and domestic companies in securing federal, state and local economic development incentives to grow their business in the U.S. We provide comprehensive economic development, legal and business advisory services and assist clients with strategic planning, structuring and securing economic incentive packages that meet the client's needs.

Our team takes an integrated, multi-disciplinary approach in providing advice on business entity formation, corporate services, tax, financial services, real estate, land use, environmental, construction, immigration, labor and employment, intellectual property and technology, government and regulatory services and litigation.

We are focused on providing comprehensive and streamlined services aimed at effectively and efficiently assisting clients in achieving success in their business development, expansion and growth in the U.S market.
